RICHWOOD

Selected As Next Meeting Place For Ebenezer Presbyterian—Two Day Session At Central Presbyterian Church Ended Wednesday.

The two days' meeting of the Ebenezer Presbyterian at the Central Presbyterian church came to a close Wednesday afternoon after another interesting day's work.

At the morning session, beginning at 8:30 o'clock, Mrs. W. M. Charlton had charge of the conference with officers, which was followed by a short Scripture reading, a prayer and reports from the different officers and committees. Then came the election of officers, the following being chosen for the ensuing year:

President—Mrs. R. J. Neely, Paris.

Vice President—Mrs. W. O. Cochran, Augusta.

Treasurer—Mrs. J. T. Tadlock, Paris.

Historian—Miss Nida Dickey, Richwood.

Recording Secretary—Miss Ruth MacClintock, Millersburg.

Secretaries of Causes:

Foreign Missions—Miss Lucy Lee, Maysville.

Assemblies Home Missions—Mrs. Herbert Love, Grayson.

Presbyterial Home Missions—Miss Jessie Allison, Washington.

Young People's Work—Miss Lorette Hanson, Richwood.

Christian Education and Ministerial Relief—Mrs. A. S. Venable, Millersburg.

Literature—Mrs. James Butler, Richwood.

Richwood was chosen as the next meeting place of the association.

After a hymn was sung the "Quiet Hour" service was led by Miss Jennie Stevig. This was followed by an excellent address on "The Church and the Mountain People" by Mrs. C. E. Wells, which closed the morning session.

The afternoon meeting was a resume of the work done by the Presbyterial and was very short. Most of the delegates left for their home Wednesday afternoon and night.

MAYSVILLE DELEGATION FIRST.

Maysville won the distinction of sending the first delegation to the Kentucky Educational Association convention, says Wednesday's Courier-Journal. Twenty-eight teachers from that city registered at the Galt House last night, where they will make headquarters during the remainder of the week. They will spend today visiting the schools of Louisville and seeing the sights of the city. Superintendent W. J. Caplinger motored to Louisville in advance and made arrangements for hotel accommodations.

WANT TO RAISE MASON'S ASSESSMENT FIVE PER CENT.

Mr. W. M. Duncan, chairman of the state board of equalization, notified County Judge W. H. Rice Wednesday that the board intends to add 5 per cent to the assessed value of land and personal property in the county subject to equalization and 2 per cent to the value of town lots. Judge Rice will appoint five committeemen to appear before the board to protest against the raise on May 12, the day set for hearing such complaints.

EASTBOUND C. & O. TRAINS LATE.

Eastbound C. & O. fast train No. 2 was one hour late and No. 16, the east-bound accommodation train, was one hour and twenty minutes late Wednesday.

PRESIDENT'S ULTIMATUM DELIVERED TO GERMANY.

Washington, April 20.—President Wilson's long expected final warning to Germany that the United States will break off diplomatic relations unless she abandons her present methods of submarine warfare, and immediately declares her intention to do so, was delivered yesterday in a note to Berlin and was announced by the President in an address to a joint session of Congress. The President demands nothing less than the abandonment of submarine warfare against commerce.

Both the President's address and the American note declare in unequivocal terms that only by Germany according to the demand can the breaking off of relations altogether be prevented.

The President considers that the next step depends solely upon Germany and that three or four days constitute a reasonable time for a reply.

He is willing to discuss how submarine warfare may be conducted within the limits of international law and humanity after Germany abandons her present methods.

Diplomatic history records but one instance as yet where a breaking of relations between two first class powers has not eventually brought war—that which now exists between Germany and Italy.

Congress received the President's declaration of his course with mixed evidences of concern and approbation. Most of the leaders, Democratic and Republican, thought the President could hardly do less, and some expressed the opinion that his action would not lead to war. Republican Leader Mann alone of all the opposition openly attacked the President for his stand. He characterized it as a political play.

MODERN LAUNDRY CO.

Mrs. George Schwartz left Wednesday morning for a visit to her daughter, Mrs. John L. Case at Covington, and from there will go to Dayton to attend a meeting of the Eastern Star Lodge.

No trace has been found of Joseph Thompson, who disappeared suddenly on the morning of April 2. It is presumed by his relatives that the body is in the river.—Manchester Signal.

MANAGER JONES

And Players Are Expected To Arrive Today—Other Dope.

Manager Jimmy Jones and a squad of players are expected to arrive here today and will begin spring training immediately. The four players already here are practicing daily and are fast rounding into form.

Outfielder Baleman of Memphis, Tenn., arrived Tuesday night.

Just before leaving for Chicago Wednesday afternoon President Thomas M. Russell said that he thought Third Baseman Frank Enmer would be wearing the Maysville uniform again by the first of next week. He also said that he was talking to Harry Devore over the telephone Tuesday and that Harry expects to be here some time this week. Shortstop Kelly is still holding out for more money, but has been wired to report here and talk the matter over with the club officials.

The management also has its hooks out for a new first baseman from Portsmouth by the name of Wougher, who tips the scales at 175 pounds and is six feet and one inch tall. He is said to be a demon with the bat and covers ground like a centipede.

President Russell also said that Catcher Mueller, who was with the Frankfort team last year, is anxious to come to Maysville.

Infielder White of St. Louis, is the latest addition to those who have reported, having arrived Wednesday night.

It is quite probable that an exhibition game will be played here Sunday, giving the fans a chance to see what kind of timber will compose the team.

BENEFIT DANCE TO BE GIVEN BY THE SETTLEMENT CLUB.

Never tiring in their efforts to keep charity work always on the go in Maysville, the Settlement Club is going to give a charity dance in the Masonic Temple on Friday night, May 12. Goodwin's trio of Lexington, will furnish the music and the Settlement Club the lunch, and certainly a more efficient combination could not be had.
